

Consulting Support Capability Statement

“Agile...Flexible...Efficient!”

Company Overview

GFG Consulting has been supporting clients (*Local Government and Private Sector Organisations*) in achieving their strategic and operational goals since 2012, through the provision of specialist resources tailored to the specific needs of each assignment.

Whether it's specialist engineering skills, project management or executive strategic thinking, GFG can assemble the expertise needed to get the job done. From major capital projects involving large teams of professionals to small administrative tasks for regional councils on an hourly rate, GFG can tailor the support to suit your needs.

The GFG point of difference is matching the skills and experience required to deliver a particular project with a bespoke and agile team.

GFG is an accredited Employment Agency (under the Employment Agents Act 1976) and registered as a preferred supplier with WALGA, which means hassle free, compliant procurement so that you can be confident that all the checks and balances have already been met. For more information please see our website www.gfgconsulting.com.au.

Significant Project: Bayswater Waves Redevelopment

“Over the past few years the GFG team has been working closely with the City of Bayswater to refurbish the iconic Bayswater Waves Aquatic Centre. Our team have been involved in all aspects of the upgrade from concept development, detail design and overseeing construction of the various stages. Currently the detail design documents for the final stages have been completed and are ready to go for construction.”

Task Resourcing Model

Under the GFG Consulting umbrella, it's GFG Temp Assist that provides recruitment services of casual and temporary personnel for our valued Local Government clients. Recently launched, is GFG Temp Assist "Task Resourcing" model, where you only pay for the hours you use. No matter how big or small the task, GFG can provide Local Government experienced people who can get the job done remotely for a fraction of the cost of employing someone. It's an extra pair of hands, just when you need them and not when you don't.
